**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Regulations enforcing so-called 'Net Neutrality' won't be needed if there is competition in the 'last mile' - so that a multitude of companies can compete freely using existing low-level infrastructure (fiber or DSL). Please don't do anything that restricts competition (and free enterprise) from taking place in the 'last mile'.
